SAIMM celebrates its 2021 prize-winners – 23 September 2022

The SAIMM AGM was held virtually this year, and the Council agreed that a prize-giving day should be held separately for the medal winners and the Student prize winners. This was the first in-person event held at the SAIMM's new offices.

Gold Medal Award Winners

The Gold Medal Award winners received their award for their paper entitled '*UG2 pillar strength: Verification of the PlatMine formula*' published in the August edition (Vol 121 No 8).
