

EDITORIAL LETTER

SAJEV is an open access journal that publish high end research articles with the intend of sharing research with a wider audience as possible.

To this end asynchronous and completed reviewed articles will appear in a pre-publicized Volume, giving the correct DOI, Volume and Number for author use but without page numbering and volume layout.

DOIs are registered with CrossRef and ready for use.

SAJEV publishes one volume of two issues per year and include 16 articles per issue.

SAJEV is also registered with all main harvesters as well as WoS, DHET, etc. with a five year impact factor of 1,108.
