

Erratum

An error occurred on page 840 of the November 2011 *SAMJ*, in the guideline 'Recommendations for the management of adult chronic myeloid leukaemia in South Africa'. In the 3rd line of the abstract the chromosomal translocation was stated as being between the long arms of chromosomes 9 and 12, when in fact it is chromosomes 9 and 22. The online version was corrected on 23 November 2011. The full reference is: Louw VJ, Dreosti L, Ruff P, *et al*. Recommendations for the management of adult chronic myeloid leukaemia in South Africa. *S Afr Med J* 2011;101:840-846.
