## The ESSENTIAL MEDICAL REFERENCE for every health care professional!

The thoroughly updated 14th edition of the South African Medicines Formulary (SAMF) is your essential reference to the rational, cost-effective and safe use of medicines. SAMF, a joint initiative of the University of Cape Town's Division of Clinical Pharmacology and the South African Medical Association, provides easy access to the latest, scientifically accurate information, including full drug profiles, clinical notes and special prescriber's points.

To order online visit the SAMA website:
