SA Orthopaedic Journal Summer 2012 volume 11 number 4

Figures 6 to 9 were inadvertently omitted from the article 'Circular external fixator application for midshaft tibial fractures' by Drs N Ferreira, PH Mare and LC Marais in the printed version of *SA Orthopaedic Journal* Summer 2012 volume 11 number 4.

The omission has been rectified in the online version of the article, which can be found on the SA Orthopaedic Association website: www.saoa.org.za. Click on 'Publications', 'SA Orthopaedic Journal', then 'SAOJ online'.

Go to the top of the screen, click on 'all' to see all the issues of SAOJ, select 2012, volume 11 number 4, then click on the article to read the corrected version.

Alternatively, visit the SciELO website: www.scielo.org.za. Click on 'alphabetic list' and then click on 'SA Orthopaedic Journal', and continue as above.

The publisher apologises to the authors and the readers for this oversight.
