This is a permanent notice of an expression of concern following an investigation into 'Public art aesthetics and psychological healing' *HTS Theologiese Studies/Theological Studies* 79(1), a8827 by Rong Hu as to alert readers of the following:

- potential undisclosed conflicts of interest by a reviewer.
- potential undisclosed conflicts of interest by the editor who handled the peer-review process for the article.
- potential compromised or manipulated peer review of the article.

The acceptance and publication of this article was partly based upon the positive advice of reviewer reports from reviewers. We cannot, therefore, vouch for the reliability or integrity of this article.

AOSIS regret that the usual quality checks did not identify these issues before publication and have since put additional measures in place to safeguard research integrity.
